Rates

Your initial rates are the same as Simply Energy's current market contract rates for residential customers with your meter type in your distribution area. We may vary your rates under the market contract terms for Consumer Price Index (CPI) increases and to recover increases in costs we incur in selling you energy. We will give you 3 months notice for certain increases that exceed CPI as stated in the market contract terms, and you can terminate within that 3 months without penalty.

Fees and Rebates

Pay on time

10% discount off the variable consumption component of Simply Energy's market contract residential rates when you pay your bill/invoice by the due date.

Account Establishment Fee

Not applicable to this offer.

Exit (Termination) Fee

This contract has a term of 2 years from the supply start date. If your contract is terminated after the 10 business day cooling off period and before the end of the term, you will have to pay a termination fee. The termination fee is \$95 (GST inclusive) if you cancel within the first 12 months of your electricity contract and \$75 (GST inclusive) if you cancel in the second 12 months of your electricity contract.
